UFOS MESSAGE # 1

Greeting UFOS!

It's time to start prepping for our UFOS meeting at the AOA House of Delegates in-person!! This is Message #1 of 3.

Please be sure you have your plan for bringing your society **dues up to date**, contact Scott Cyrus, DO at scyrus@burrell.edu with questions.

Secondly, we will be **electing our Vice Chair and Secretary/Treasurer** for the next two-year term. Nominations are **due to me at kjn@kijnichols.com by May 18.**

Thirdly, we are also accepting nominations for any **new candidates for the UFOS Candidates List**, also **due to kjn@kijnichols.com by May 18.**

Reminder: **No campaigning** for your candidates.

Attached is your society's **"assigned board member"** list. Feel free to contact them with questions

Please check out our website at www.ufosocieties.org and submit any update for your society information, as specified on the website, to scyrus@burrell.edu. A number of you have done so already.

All **UFOS committees** have been officially appointed and are listed on the website, except the UFOS Candidates committee. The members of the Candidates committee have been contacted and know they are in a preliminary status until after May 18 to assure that no society which has a nominee, would also have a member on the Candidates committee.

HOD Reference committee information is expected from the Speaker in late May or early June.

Members we have lost in the last 12 months. Please let me know of any of your members who have either been delegates, or well known to our societies for other areas of participation, and have died since we last met, to include in our presentation of all of those we wish to honor.

We are in discussions with AOA for exact meeting rooms and timing. Should be the same room as last year. We anticipate that our UFOS annual meeting will be on Thursday July 18 at about 7pm-9pm. We will have LIGHT snacks, no dinner, so eat a big lunch!!

Stay tuned! Can't wait to see everyone!!

Best,

KJN
